Moraz Engages “The Harel Group” to Search for Strategic Partners in International Markets

Florida, February 18th, 2016

Moraz Galilee Medical Herbs and “**The Harel Group**” announced today (February 18, 2016) that they will collaborate on a search for international strategic partners for Moraz skin care and paramedical cosmetic products.

Moraz specializes in the development, production and commercialization of skin care and paramedical cosmetic products based on medical herbs extracts. Moraz products are manufactured for the last 32 years using traditional and organic proprietary herbs extraction methods using mainly the plant Polygonum.

Moraz products solve various skin conditions, protect and nourish the skin and include the following lines: Para-medical line, Pregnancy & Post Birth line, Baby & Kids lines, Derma Cosmetic line, Sun Screen line, and more.

To support the expansion of its international operation Moraz assigned “The Harel Group”, a business development advisory firm founded and led by Jacob Harel, to search for international strategic partners. By entering into this collaboration Moraz will leverage “The Harel Group” network of more than 250 pharmaceutical companies in Latin America, Eastern Europe, Middle East, Asia Pacific, Africa and Europe.

Jacob Harel, the founder of “The Harel Group”, commented: “Moraz is an outstanding specialty skin care and paramedical cosmetic products company. Our group has the knowledge, the experience and a wide network of contacts to support Moraz with the search for strategic partners”.

Yaniv Shapira, VP Business Development & International Sales of Moraz said: “We are pleased to have “The Harel Group” assisting us with the search for strategic partners in international markets. Their unique cross cultural and international commercial experience will serve well our needs. We look forward to a successful collaboration”.
